Mining Essentials Program Application Form

Please complete the following form to apply for the Mining Essential Training Program. Once completed, return this form to the Training Site. A member of the Training Site will contact you to let you know if you have been accepted for an informal interview. If so, he or she will contact you using the information you provide, to set-up a meeting.

All information on this form is confidential.

NOTE: Only pages one, two and three of this form will be submitted to MiHR. MiHR is the program authority and registrar, and therefore needs to keep a record of applicants. MiHR has a privacy policy that will be strictly followed and your information will be kept secure. MiHR's privacy policy is available upon request. All pages will be kept confidential and secure at the Training Site.

If you have any concerns about filling out this form, please contact the Training Site.
